

August 9, 2020

Dear brothers and sisters,

I send my greetings to you in the name of our Lord Jesus Christ. I am very happy to announce to you that our church is approved for “In-Person Outdoor Worship” by our East District of the California Pacific Annual Conference. Our Task Force for relaunching worship service and Administrative Council have decided to **start our in-person outdoor worship on Sunday, August 16 at 9:55 AM at our beautiful church (lawn area).**

I give thanks to God for giving us this opportunity, all of you who have eagerly prayed, and our administrative council and task force who have diligently and faithfully put their hands together during this time. The guidelines for our outdoor worship are as follows,

1. When you arrive:

- a. Wear a mask and keep 6ft social distancing at all time.
- b. Go to the welcoming table under the EZ up canopies.
 - i. Check your temperature (must be 99.9 degrees or below)
 - ii. Turn in your waiver form (included in this letter). If you don't bring it with you, the welcoming team will provide it for you to fill out.
 - iii. Take the bulletin and follow the signs to the designated worship areas.

2. When you go to designate worship areas: *Please see the next page below.*

3. During worship:

- a. We won't have time for sharing peace of Christ, congregational hymns, and fellowship after worship. Instead, we will pray together, listen to God's words, and hear wonderful music from the praise team, Isaac, and Caleb, as well as any volunteers.
- b. Restrooms in the breezeway and the sanctuary are available, with only one person or family at a time.

Our first outdoor worship on August 16 is the first step for us to go back to “In-Person Worship and Activity” faithfully and safely. If you feel uncomfortable and choose not to join the worship, please do not hesitate to stay at home. The church will continue to provide online worship every Monday. If you want to join the outdoor worship, I highly encourage you to keep in mind the safety guidelines of the pandemic. Let us remember to care for ourselves and for others.

See you next Sunday and stay in God's many blessings,

Pastor Park

Designate worship areas

Area 1 - main seating area under a big tree.

Area 2 - a concrete area outside of Marshall Hall: for wheelchairs or walkers

Area 3 - the west side of the Sanctuary: for those who bring their own chair.

Area 4 - main stage for pulpit and music.
